### BioSketch

All academic, professional or institutional appointments. Include the following:

- Any titled academic, professional or institutional position regardless whether or not remuneration is received
- All full-time, part-time or voluntary positions
- All adjunct, visiting or honorary appointments

### Current and Pending Support

All items to be included in a Current and Pending Support Document include:

- Current and pending grants, contracts and cooperative agreements requested by or issued to Princeton, made available to the PI, and related to the PI’s research
- Current and pending grants, contracts and cooperative agreements requested by or issued to an entity other than Princeton, made available to the PI, and related to the PI’s research
- All resources made available to an individual in support of and/or related to his/her research efforts regardless of whether they have monetary value
- In-kind contributions, such as office/laboratory space, equipment, supplies, employees, students intended for use on the project/proposal being proposed
- In-kind contributions NOT intended for use of the project/proposal, but that have an associated time commitment, also must be reported
- Resources received through Princeton or any other institution
- Resources received directly by individual
- Disclose consulting agreements if it involves research
- Research endeavors means research of the PI
- Report start-ups received from other institutions (e.g. external start-up packages)
- Report lab space in a foreign country
- Report material or data provided by a 3rd party for use in your research
- Support PI receives from external source to mentor a research postdoc conducting PI’s research
- Activities that happen outside the “home institution” appointment (e.g. summer months for 9 month faculty)
- Third party provides access to individuals such as a technician or postdoc and they are being used to work on the PI’s research needs to be reported
- HHMI Researchers
- Subawards from domestic or foreign entities

All items NOT REQUIRED to be included on a Current and Pending Support Document include:
- Gifts – no associated time commitment
- Prizes, endowments
- In-kind contributions not intended for use on the project/proposal being submitted to NSF and that have no associated time commitment
- Start-up packages from Princeton
- Mentoring activities that are a part of the PIs regular appointment at Princeton University
- Independent research endeavors of individuals in the PI’s lab
- Postdocs and graduate students personally funded on fellowships by foundations
- Consulting or professional services where no research is performed
- Faculty academic year salary
- Peer teaching
- True consulting
- Research of a post-doc working in a PI’s lab
- Start ups through Princeton
- Post-doc working in PI’s lab who is wholly supported elsewhere
- One-time travel to present at a conference at an international organization

### Research Performance Progress Reports (RPPR)

The following items must be included in an RPPR if they are new and were not submitted previously:

- Active other support – include an updated Current and Pending to respond to, “Has there been a change in the active support since the last reporting period?”
- Response to, “What percentage of the budget was spent in a foreign country?”
- Response to, “Has there been a change in the primary performance site location?”
- Not required to report a post-doc working in the PI’s lab that is wholly supported elsewhere
Post-award disclosures of Current and Pending previously undisclosed – MUST BE REPORTED WITHIN 30 DAYS OF NOTICE THROUGH “OTHER REQUESTS” IN RESEARCH.GOV
